

HealthCraft Stainless Steel Institutional Grab Bars

Stainless steel grab bars will never rust. ADA Compliant.

Features and Benefits

• Will Never Rust.

Chrome plated grab bars can chip, rust and stain tile over time. HealthCraft grab bars are made of stainless steel and will never rust, ensuring a lifetime of worry free service.

• Can't Find A Stud?

See HealthCraft's website for specialized grab bar fasteners that can mount directly behind drywall and other surfaces to support up to 500 lbs / 227 kg.
