

# SuperPole™ with SuperTray™

Easily snaps onto the SuperPole™ to provide the convenience of a bedside or overbed table, as well as transfer support from the pole.

## Features and Benefits

### ▪ Flexible.

The tray is height adjustable and easily installed at the most desirable and convenient location for the user.

### ▪ Tray.

The tray has a generous flat surface perfect for meals, medications, reading material or anything else one may need within arms reach. A convenient surface for all bedside needs.

### ▪ Safety.

Tray surface comes complete with non-skid mat to prevent items from slipping. A nice precaution when handling hot liquids.

### ▪ Versatile.

The SuperTray™ easily pivots out of the way when not in use, it's slim profile allows for easy storage and cleaning.
